Newsletter June 2023

Less than 200 remaining!
All-time high enrollment in May!

With 581 enrolled patients, the RACC-trial is getting closer to the final 768. The accrual 2023 has been amazing with an average of 20 patients/month. In May, an **All-time high enrollment of 28 patients** was recorded! This means that we are on track to reach the preplanned sample size in less than 10 months. Keep up the good work!

Some important reminders

- Invoice documents for site reimbursement has been sent out. Please let us know if you have not received the documents.
- QoL completeness is pretty much unchanged since March - Please make sure to enter QoL data that you may have in paper format!
- Please make sure that all patients fill out QoL questionnaires before randomization.

No QoL questionnaires=no randomization!

- Please make sure to include all eligible patients in the screening log. *This will allow us to report potential selection bias*
